Manifesto Achievements

Brief on the Key Security Sector Manifesto Achievements 2016-2021 focusing on the UPDF as a Key Player
Vision
A secure, well-governed, and developed nation.

Mission
To provide leadership in public policy management & good governance for national development.

Mandate
1. To support the provision of overall leadership in the public policy management and promotion of good governance in public institutions.

2. To provide efficient and effective support to cabinet in discharge of its constitution mandate of formulating and implementing government policies.

3. To ensure that government policies, programs, and projects are adequately monitored and evaluated.

4. To mobilize the population towards achieving social and economic development and to prosperity of all programs.

About the Manifesto Implementation Unit (MIU)

1. The overall mandate of the Manifesto Implementation Unit is to monitor the progress of implementation of the Manifesto commitments and report to the Presidency and other Government entities accordingly.

2. The Unit also liaises with the ruling party (National Resistance Movement) in the promotion of the Party. It’s currently headed by the Director, assisted by the Deputy Director and an Assistant Director.

PEACE MISSION. President Yoweri Museveni, the Commander in Chief, talks to Ugandan soldiers during his visit to the peacekeeping troops in Somalia.
Keeping a secure and peaceful Uganda. As enshrined in the NRM Manifesto commitment to ensure a secure and peaceful Uganda, the UPDF has secured 100% territorial peace in Uganda for the first time in more than 50 years and has enhanced the capacity to defend that status.

Galamba-Birembo Trek.
The 2020 Great Trek from Galamba in Wakiso to Birembo in Kakumiro ended recently and the young generation was reminded of the sacrifices that bore the fruits of peace and security that they take for granted today. The trek was a challenge to preserve the gains of the NRM revolution for the benefit of all! President Yoweri Museveni recently explained to media recently. The President Museveni briefed the media at Birembo Technical Institute, the last stop and camping site of the 2020 ‘Afrika Kwetu’ Trek that started on 4th January 2020 at Galamba.
Preps. Tarehe Sita celebrations are rotational in nature to mark and recognize the heroic sacrifices that were gallantly exhibited by the 41 patriots (both combatants and non-combatants), who made the foundation upon which UPDF rests today as a Peoples’ Army. The 2019 38th celebrations were held in Kitgum District. The Greater Luweero Districts of Nakaseke, Nakasongola and Luweero are hosting the 2020 celebrations.

The Arua based UPDF Units under the Command of Col Jackson Kayanja, the Brigade Commander 409Bde, kicked off the celebrations to mark Terehe Sita in Arua by leading the force in cleaning the city and other outreach programmes.
FIGHTING CRIME. The UPDF undertakes joint operations to keep the country secure.

Crime Control, Detection, Prevention and Investigation.
As per her constitutional mandate, the UPDF has continued to play a complimentary role to the other civil security Forces in controlling urban crime.

FINANCIAL DISCIPLINE. President Yoweri Museveni officiates at the 10th Annual General Meeting of Wazalendo Savings and Credit Co-operative Society Ltd at the Lugazi Town-based Uganda Military Engineering College (UMEC).
Under the modernisation programme, the UPDF has acquired, refurbished and maintained equipment that make it a superior force with ability to operate on water, air and land when dealing with both internal and external threats.

**Boosting the fisheries sector.**
The UPDF, in January 2017, under the directive of the Commander-In-Chief set up the Fisheries Protection Unit to combat illegal fishing practices so as to protect the fish resource that was under threat of depletion. The unit operates on various lakes including Victoria, Edward, George and Kyoga and also operates on fish trade routes and markets to stop the sale of immature fish. According to the Ministry of Agriculture, the UPDF support has in the last couple of years seen fish stock, especially Nile Perch significantly increase in size. The Fisheries sector contributes UGX. 150 billion every year and it is hoped the UPDF support will see the sector realise its full potential, contributing $2 billion a year.

**26,320**
